EDGE MIDDLE SCHOOL RETREAT

## **Into the Mystery**

The goal of this retreat is to introduce your child to the mystery of God. For many, God can seem big and impersonal. This retreat seeks to explain that God, though far beyond our comprehension, can still be known. By accepting this, your child can begin to have a deeper and more personal relationship with God. By understanding who God is (Trinity) and who we are in light of Him (image and likeness), that deeper relationship can begin to take shape.
